

Hi Bill:

It was a pleasure working with Dave @ Ashley + Justin's wdg. I have known them since Justin was little :) + glad that they loved Dave! He was fun + professional + I would recommend him just like you!

I returned those extra frames to you as I temporarily have purchased a small home. I will still continue to refer you (no worries) just am going to meet them at their homes for awhile or looking for a cheap rental office or desk to meet? any ideas of contacts for me Bridal shops, bakery etc close to Hwy 100 area! > I would pay monthly or by booking?

Well here is the disc of reception, some great shots (again) of lighting etc! Have 8 for next year already! Love ya both!
Marie
