Hi Bill,

It was amazing! David did an excellent job. Everything turned out better than I expected and I have high expectations. He knew how important it was to the Bride to have Lakefront "purple" when the guests entered. I know that he went out of his way to deliver the equipment to Lakefront before the ceremony so he would have time to get everything done by 5:30 when the reception started.

David was absolutely the right DJ for our event. He played the right music, the dance floor was packed all night long. I can't say enough about what a great job he did. We are so happy we selected Double Platinum for our event.

Feel free to use my name as a reference. I would love to share our experience with prospective clients.

Have a great day!  
Cindy
