

Hello Bill,

Allyson and I would like to thank you very much for sending Alex as our DJ for the holiday party. He was there before I arrived and had everything ready to go which was very reassuring.

He was very professional and easy to work with. Our guests really enjoyed making requests for music which he did so easily on his laptop without any hitches and keeping people on the dance floor. He was able to create a very fun atmosphere and helped me when I needed to get people to sit down or dance more. Alex was a pleasure to work with and we look forward to using your services again for our next party.

Thank you,

Melinda
