Hey Bill,

Everything was fantastic on Saturday! Tyler did a great job...all of the evening's events went smoothly (grand march, slide show, speeches, etc) and the music was exactly what we hoped for. I couldn't believe how packed the dance floor was the entire night. Even at midnight, there were tons of people dancing...from our friends all the way to our parents and their friends and relatives. Thank you for a job well done!!

Thanks,  
Joe and Jordan
