Bill,
 Dude Saturday went great. Erick did a remarkably great job, he was very innovative and worked well with the crowd. We were very very pleased with him, I really appreciated his professionalism and adaptability when things were running behind schedule. Honestly best DJ I've ever encountered. And yeah the equipment was top of the line, but maybe some confetti drops, cold smoke, and half naked asian dancers would contend with Hakkasan...But I will definitely continue to recommend you guys to friends and family. Thanks for everything,
 Eric Buck

Hey Eric,
 How did everything go on Saturday? Erick told me you had a good crowd.
 I had him bring our music video equipment. Pretty cool, but nowhere near Hakkasan, right? haha
 Thanks for your business, Eric. Bill
