Hi Bill!

Sorry I took so long to respond, I've been trying to catch up on things. It was so much fun to work with Allen. He played everything we wanted and even started to mix at the end, making it feel really personal and exciting. We had several guests come up to us, saying they've never been to a more fun wedding and the music had SO much to do with that. He did exactly what we asked for and we totally appreciated his work! Thank you so much for your awesome service, we will definitely recommend Double Platinum to friends and family.

Erin
