

Mr. Bill Spindler & Company,

To say that the gentlemen who supplied the music at Jen & my Wedding performed well is an understatement. They did everything we asked of them, were extremely polite, (played no country (quite possibly the best decision they could have made), and I think maybe even had some fun themselves. I literally (figuratively?) could not have asked for anything else.

Jen and I both sincerely appreciate your dedication to high quality service and high quality personnel. Thank you for making our wedding a only half-dull affair!

Sincerely, Adam & Jenica
