Bill,

I really can't say enough wonderful things about Double Platinum DJ.

I'm so glad The Abbey Resort recommended your company. From the very beginning, you made everything so easy. The packet you mailed me was comprehensive, it was wonderful. The songbook had so many choices, my fiance and I had so much fun going through and choosing music.

The week before my wedding David Hall contacted me by email and phone to talk about the upcoming reception. He was so easy to talk to and get a hold of. I am a little picky on certain things and kept changing the look of the monogram projection. David was so patient with me and kept providing me with altered versions until we found the perfect one.

It was great to finally meet David on my wedding day. He was so open and welcoming, briefly went over everything and was receptive to some last minute changes my husband wanted.

The level of detail David paid attention to was wonderful! The way he up-lit the room was beautiful! When my husband and I walked into the venue we were in awe!

And then there is the music! AMAZING! Every bride is worried that the dance floor is going to be empty and their wedding is going to be a flop- well that was NO where near the case at my wedding!! He did a wonderful job at keeping the dance floor full!! He even took the time to ask my permission to play a song that was on my "do not play" list when multiple guests requested it. I thought that was very considerate of him, to not just turn my guests away but ask me if it would be okay. He managed to get the majority of our guests, young and old onto the dance floor, and he played such a great range of music so there was truly something for everyone. The floor was literally full of people dancing and singing until the very last minute of the reception!

David also did a great job throughout the night of keeping my husband and I updated on time frames, what was going to happen next and where we needed to be. He had such control and flawless timing with everything.

My friends and family couldn't stop telling me how wonderful David was!

Thank you so much for picking him to host my wedding!

I would not hesitate to recommend your company to anyone, and actually had a few people ask if you would travel to Chicago for weddings ( I referred them to your website).

Thank You, Thank You, Thank You. Double Platinum DJ made my wedding reception a success!

Sincerely,

Jessica Schultz
