I'm happy to hear that Yes everyone was wonderful & they kept the floor packed all night! David came to find either Joey or myself for questions & suggestions. He was great. THE FLOOR WAS SO COOL!!! It was a hit. Everyone loved it. Everyone wanted to be on it! Which was what we hoped for!

If we were to do it all over again, we would book you 10 times over. The up lighting, the monogram, the crystal backdrop was gorgeous, & the music was spectacular! Being from La Crosse especially the younger crowd- if you end up @ a wedding in downtown LaCrosse you stay for a little while to get your buzz on then hit the town. Not ours! It was the happening place to be. So thank you. You have a spectacular business!
