Hi Bill

Thanks very much for following up!

Everything went very well. Matt did a great job and was quite professional. We were very pleased by his music selections, music editing, setup/quality of the sound system, slideshow/projector, and his responsiveness to our requests (including some last minute changes and a quick turnaround on moving the speakers back outdoors).

All in all, everyone had a great time and Matt really added to the atmosphere not only with the music but also by making helpful but unobtrusive announcements -- exactly what we were hoping for!

Again, we are so appreciative of your willingness to negotiate on the price of our package and will certainly recommend your company to others in the future.

Best wishes,
Yao
