Bill,

Carey and I want to Thank You for everything you did last Friday to make our wedding a night to remember. We really appreciate that you went above and beyond with the lighting effects (we especially loved the monogram projection at the entrance), and David kept the music hopping to make sure we danced the night away. We're still having people tell us how wonderful Turner Hall looked all lit up. I won't hesitate to recommend your company in the future.

Kind regards,  
Jason

Hey Jason,

Actually, your DJ, David, is my design guy as well. He can go over the event details, introduce himself, talk music, and go over the layout.

I would expect to hear from him next week or the following week at the latest.

Hi Bill,

Thanks for the update, and the generous gesture to include the additional swirl projections. We look forward to hearing from David on the projection design.

Two other questions:

- When will the actual DJ be contacting us?
- Did you receive my balance payment check?

Thanks,  
Jason
